**PLEASE READ THIS AGREEMENT CAREFULLY. IT GOVERNS THE RELATIONSHIP BETWEEN THE LICENSEE-PURCHASER AND USERS OF THE SOFTWARE AND RELATED SERVICES (YOU), AND THE OWNER OF THE SOFTWARE AND PROVIDER OF THE RELATED SERVICES (THE LICENSOR). THIS AGREEMENT PROVIDES THE TERMS UNDER WHICH THE SOFTWARE AND SERVICES ARE PROVIDED.**

County Road Association of Michigan C Corporation (herein “Licensor,” “we” or “us”) is a Michigan corporation located at 101 S. Washington Square, Suite 200, Lansing MI, 49033. Licensor is the provider of Software and related services known as **Road Conductor<sup>SM</sup>** (the “Software”); references to the Software also include all elements of the Software and any related services.

This Agreement is between Licensor on one hand and you as Licensee and/or User on the other.

“Licensee” is the public, quasi-public or private entity or organization that purchases or is otherwise authorized to download the Software to one or more devices. “Users” are the individual employees, members or shareholders of the Licensee who are authorized to use the Software. References to “Licensee” herein include “Users,” except where one is specified and the other is expressly excluded. Licensor, Licensee and Users are all “parties” to this Agreement.

This Agreement is effective when the Software is downloaded by Licensee, pursuant to Licensor authorization, and it binds Licensor, Licensee and Users. Use of the Software is subject to Licensee and User compliance with this Agreement. By accessing, downloading or using the Software you accept and agree to this Agreement.

It may be necessary for you to agree to additional or amended terms and conditions, from time to time, to continue use of the Software. If you do not agree to this Agreement or any additional or amended terms, you may not use the Software.

We may amend this Agreement. Any amendment will be effective thirty (30) days after we provide a notice to Licensee (who must notify Users), or after we post any amendment on our website. Licensor will communicate with a designated point of contact with Licensee, and Licensor communications to that Licensee are deemed communications to that Licensee’s Users. Further, Licensee agrees to distribute such communications to its Users.

If you do not agree to any change to this Agreement, you must discontinue using the Software. Our customer service representatives are not authorized to modify any provision of this Agreement, either verbally or in writing.

Licensee desires to obtain a license to use the Software. This Agreement is in consideration of payment and the promises exchanged herein between the parties to this Agreement.

Licensee agrees that the Software may install or download the Modifications automatically. Unless Licensor provides other terms along with the Modification, this Agreement applies to such Modifications as though they were included in the original Software as licensed under this Agreement. In case of a conflict between such terms, the most recent terms will prevail.

- 7. Partial Refunds.** If Licensee is not satisfied with the Software within 60 calendar days of purchase it may cancel this Agreement and receive a refund of 90% of the purchase price. These partial refunds will be processed by Licensor within 45 business days. In the event of Licensee cancellation it shall delete all files associated with the Software from its devices and the devices of all Users. Licensee and Users shall discontinue all use of the Software at that time.

The Licensor does not guaranty or warrant the success of any project for which the Software is used and the Software is not a substitute for the professional judgment of engineers and other professionals.

**14. External Services.** The Software may enable access to other Licensor and/or third-party services and websites (collectively and individually, "External Services"). Licensee agrees to use the External Services at its sole risk. Licensor is not responsible for examining or evaluating the content or accuracy of any third-party External Services, and shall not be liable for any such third-party External Services. Data displayed in the Software or External Service is for general informational purposes only and is not guaranteed by Licensor or its agents. You will not use the External Services in any manner that is inconsistent with the terms of this Agreement or that infringes the intellectual property rights of Licensor or any third party. To the extent you choose to use such External Services, you are solely responsible for compliance with any applicable laws. Licensor reserves the right to change, suspend, remove, disable or impose access restrictions or limits on any External Services at any time without notice or liability to you.

The Software is protected by state, federal, and international laws, copyright treaties, and conventions. The Software may contain certain materials provided to Licensor by third parties and, in that event, those third parties may protect their rights in the event of any violation of this Agreement. Any reproduction or representation of these licensed materials in any way and for any reason is prohibited without Licensor's prior permission and, if applicable, the permission of said third parties. Except as expressly set forth in this Agreement, all rights not granted hereunder to Licensee are expressly reserved by Licensor.

THIS LICENSE CONFERS NO TITLE OR OWNERSHIP IN THE SOFTWARE OR THE TRADEMARKED NAME NOR SHOULD IT BE CONSTRUED AS A SALE OF ANY SUCH RIGHTS IN THE SOFTWARE OR THE TRADEMARKED NAME.

**17. Compliance With Export Laws.** This Agreement is subject to Michigan and United States law. The United States has laws that control and govern the transfer of technology (which can include programming) to other countries or individuals or entities in other countries (the "Export Laws"). Licensee is solely responsible for its compliance with the Export Laws and regulations of the United States and to assure that the Software is not: (i) exported, directly or indirectly, in violation of Export Laws, or (ii) used for any purpose prohibited by Export Laws.

**18. Confidentiality.** Licensee acknowledges that the Software is confidential and proprietary information of Licensor. Licensee shall not disclose any information regarding the Software to any third party without the prior written consent of Licensor.

**19. Termination.** Licensor may suspend or terminate this Agreement and Licensee use of the Software for Licensee's violation of this Agreement. If this Agreement is suspended or terminated based on Licensee's violation hereof there shall be no fee refund. This Agreement shall otherwise remain in effect until terminated or until it expires consistent with the term of use purchased at signup.

**20. Governing Law and Dispute Resolution.** This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan, without regard to its conflict of laws provisions. All disputes must be first mediated in good faith in Ingham County, Michigan, through selection by the parties of a neutral third party mediator at shared expense. If disputes are not resolved through mediation any

party may initiate arbitration in Ingham County, Michigan under the American Arbitration Association (“AAA”) Commercial Rules. Licensees and Users knowingly waive all rights to have their disputes heard in state or federal courts, to have their disputes heard by a jury, and to participate in any class action litigation with respect to the Software or this Agreement. Each side shall bear its own legal fees on connection with any such disputes, mediation and arbitration.

**22. No Waiver.** No failure or delay by Licensor or its affiliates to exercise any right or remedy provided under this Agreement or by law shall constitute a waiver of that or any other right or remedy, nor shall it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy. Any waiver of a right or remedy may only be effective upon the Licensor providing a signed, written statement of such waiver to Licensee.

**23. Capacity and Authority to Contract.** The Person downloading the Software through the signup on behalf of Licensee represents and warrants that such person is duly authorized to enter into this Agreement and bind Licensee.

**24. User or Licensee Inputs or Contributions.** Users and Licensees who are not designated as “Beta Testers” at signup are not expected to make suggestions for improvements to the Software, make contributions that may help improve or refine the Software, or to provide product reviews to Licensor (collectively “Contributions”). In the event any Licensees or Users make Contributions however, Licensees and Users agree that Licensor has full right and title to all such Contributions and may use and exploit them without credit, payment, royalty or attribution and the Contributions are also irrevocably licensed to Licensor for Licensor’s unlimited use.

**25. Different Pricing and Service Levels.** Licensees and Users acknowledge that the Software was created in whole or in part with the substantial financial contribution of public/governmental sources. As such, Licensees and Users agree that Licensor may offer or provide the Software to or modifications thereof to different Licensees and different categories of Licensees and Users under different terms and at different price levels. These differences are intended to generally reflect a discount being provided to the governmental agencies that are associated with financial and other contributions to the development of the Software.
